GOLD PRODUCTION DECREASES.—WASHINGTON, D. C., Jan. 28.—The world's gold production in 1913 was valued at \$155,000,000, a decrease under the previous year's output of more than \$11,000,000, according to a report just issued by the Director of the United States mints. The decrease in production is attributed to wars and strikes during the year. The production for the United States was \$35,300,000, a decrease under 1912 of approximately \$5,000,000.

WIN DECIDED VICTORY.—PECCOT, Tex., Jan. 29.—Better highway advocates in road district No. 1 gained a complete victory yesterday when they carried a \$100,000 good road bond issue in that precinct by an overwhelming majority. A road board had been elected to act with the commissioners' court in the expenditure of the funds. The district concerned includes Pecos. The bonds will be sold as soon as the stamp of approval is placed on them at Austin and work will begin on a complete system of highways in Road District No. 1.

George Hulshizer and E. A. Spindt of San Antonio were among yesterday's arrivals at the state.

Mr. and Mrs. E. A. Biggall have returned from San Antonio where they have been spending the past three weeks.

J. M. Nix is in the city from San Antonio for a several day's business trip.

L. E. Appleby yesterday returned to Bishop after a short stay in the city.

GULF COAST BETTER BABIES CONTEST WAS FINISHED YESTERDAY

EXPECTED PRIZE WINNERS CAN BE ANNOUNCED SATURDAY.

Score Cards Are Now Being Tabulated—Each Parent Will Receive Duplicate Score Card.

The Gulf Coast Better Babies Contest has ended. At the 151 babies born all sections of South Texas have been given the medical tests and physical examinations, the scores have been recorded, and all that now remains to conclude the contest, is to tabulate the scores and award to the highest scoring babies of the three divisions the prizes consisting of three loving cups, three bronze medals, three cash awards, three photograph awards and the certificates.

The contest began last Monday morning at 8 o'clock and was concluded yesterday afternoon at 4 o'clock. On Monday 13 babies were given the tests and examinations. On Tuesday 46 were given the tests and examinations and yesterday, the third day, there were 22 babies tested and examined since all babies in all that participated in the Better Babies Contest County, represented were Nunes, Kitterman, Wilcox, Cameron, Deafun, San Patricio and Aransas. A number of babies entered for the contest, were withdrawn at the last moment on account of either illness or the parents being unable to attend.

About the Awards.

The Caller expects to be able to announce the names of all prize winners by Saturday morning. Those parents who had babies entered in the contest will understand why it requires several days to calculate the scores. There is a great amount of work to be done in calculating the scores, but this is being done as rapidly as possible. Two duplicates are being made of each of the babies entered. One of these duplicate score cards will be given to the New York Baby Committee, for their files, and a duplicate score card will be mailed to each of the parents just as soon as they have been computed.

The awarding of prizes is of small moment after all, as the idea in having the contest, has not been to award prizes, but rather to ascertain the true physical condition of all babies entered. The score cards will show defects that may exist within baby and the family physician in the great majority of cases will be able to remedy such defects.

It is the hope of the Caller, under whose promotion the contest was held, that all parents will be pleased with the result, regardless of just what babies win, but no doubt he was affected by the many compliments bestowed.

Miss Rich Wednesday night was the guest of Mrs. A. H. Alton at her home in Portales and early yesterday morning was taken for an auto ride over the Taft ranch. Miss Rich last night left for her home in Austin. Before leaving she expressed her pleasure at having been able to spend a few days in Corpus Christi and expressed a desire to return visit this city at the earliest opportunity.

GIRLS! STOP WASHING THE HAIR WITH SOAP

SOAP DRIES YOUR SCALP, CAUSING DANDRUFF, THEN HAIR FALLS OUT.

After washing your hair with soap always apply a little Dandrolene to the scalp to invigorate the hair and prevent dryness. Better still use soap as sparingly as possible and instead have a "Dandrolene Hair Cleanse." Just weten a cloth with Dandrolene and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed your hair will not only be clean, but it will be wavy, fluffy and abundant and possess an incomparable softness and lustre.

Besides cleaning and beautifying the hair, one application of Dandrolene dissolves every particle of dandruff, eliminates the soap, stopping itching and fading hair. Dandrolene is to the hair what fresh showers of rain and sunshine are to vegetation. It gives light to the roots, invigorates and strengthens them. Its exalting and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies! You can safely have lots of charming hair. Get a 2 cent bottle of Knowledge Dandrolene from any drug store or lunch counter and try it. Advertisement.

Mrs. Daugherty and Miss Eddie Miller Max Rich Lectured.

Yesterday morning at 10 o'clock and in the afternoon at 2 o'clock Miss Jessie Rich, of the Home Welfare Department of the University of Texas, lectured to parents. The attendance for the afternoon lecture was splendid, every seat in the basement of the First Methodist church Sunday school room being filled. The morning lecture was before a small but highly pleased audience.

Miss Rich, a charming woman and splendid lecturer, held the attention of her audience throughout, and that she imparted ideas to parents, that will prove of lasting benefit is certain. All parents were immensely pleased at hearing Miss Rich here for the lectures during the Better Baby Contest and her part of the program was one of the best features of the contest.

While in the city Miss Rich was shown many courtesies by Mess. G. E. Stoltz, Mrs. William Guayard and other women of the city and that the people appreciated her being here was evident by the many compliments bestowed.

Miss Rich Wednesday night was the guest of Mrs. A. H. Alton at her home in Portales and early yesterday morning was taken for an auto ride over the Taft ranch. Miss Rich last night left for her home in Austin. Before leaving she expressed her pleasure at having been able to spend a few days in Corpus Christi and expressed a desire to return visit this city at the earliest opportunity.

CANTU PLACED UNDER BOND

Examining Trial of Alberto Cantu Was Held Yesterday—J. H. Dewees Surrendered.

Justice Whelan yesterday afternoon placed Alberto Cantu under bond in the sum of \$1000, to await the action of the grand jury. Cantu, a well known Mexican of this city, is charged by complaint with statutory assault, the complainant being Maria Vasquez. The state was represented at the hearing by Russell Savage and the defendant by Pope & Rutherford.

Surrendered to Ruggs.

J. H. Dewees, who by complaint is charged with receiving and concealing stolen property valued at more than \$50, yesterday morning surrendered to Constable Lee Ruggs. His bond was placed at \$500. The allegation is that Dewees was an accomplice in the theft and disposal of about 1600 pounds of copper wire from the Southwestern Telephone Company.

P. O. Cox, Bud Arnold and Joe Burns, who are charged with being principals in the same case are now in the county jail, having at one time been known locally, having at one time been engaged in business here. The complaint against him was filed several weeks ago.

"He has lost one leg."

"He was a strapping young fellow."

"Oh, I would rather shoot myself," he declared. He walked back and forth a few steps, then threw his double-barrel gun down, threw himself on the ground and sobbed aloud. I went down the track and sent to him his companion.

"Further down the track I caught a shifting engine back, and from my perch I saw the young fellow who was so badly broken up standing on the shunt and looking very dejected. As we passed the look out the other end was kneeling beside the mangled dog, sadly stroking him, and the patient animal was fondly licking his hand."

"I felt a lump in my throat, and as I looked away a mist was before my eyes of which I was not ashamed."

ARMOR PLATE FACTORY.

By Associated Press.

WICHITA, Kan., Jan. 28.—Construction of a government armor plate factory, a step advocated by Secretary Daniels as the only means of getting real competition on contracts for battleship armor plate, was recommended to the house committee on naval affairs today by Rear Admiral Strauss, chief of ordnance. It was learned that if the plant was built that in all probability it would be located at Galveston, Texas, where the plate can be manufactured at cheaper per ton than any other place in the United States on account of the close proximity of the East Texas iron ore fields to that place. The Atlantic States Coal and Coke Company will also locate in Texas City and this project will afford the government's plant a much cheaper rate on their fuel than can be secured any other place in America.

WEDDINGS

Reuthinger-Robison.

Charles Henry Reuthinger and Miss Pearl Emily Robison, both well known young people of this city, were last night married at the parsonage of the First Baptist church at 7:30 o'clock. Rev. Dr. H. Smith, pastor of the First Baptist church, performed the ceremony. Present were only a few relatives and intimate friends of the young people.

The groom has resided in Corpus Christi for many years and is now engaged in the mercantile business. The bride has made this city her home for some time also. The young couple will continue to reside in Corpus Christi.

Horna Bouland.

Francky M. Horna and Miss M. J. Bouland, both of this city, were married last night at 418 Black street. The ceremony was performed by Rev. D. B. Smith, pastor of the First Baptist church. There were many relatives and friends present for the nuptials.

Mr. and Mrs. Horna will make Corpus Christi their future home.
